## PAST PERFORMANCE

- 2014 Subcontractor Multi-Year Award for IT Support to NAVSEA HQ
- 2015 Prime Contract Award for Office 365 Migration for venture capital firm
- 2016 Subcontractor Multi-Year Award for SharePoint Development Support to BVI Financial Services Commission (FSC)
- 2017 Subcontractor IDIQ Award for SharePoint Migration to the Library of Congress
- 2017 Multi-Year Subcontractor Award for IT Support to the U.S. Marshals Services
- 2019 5-Year Subcontractor Recompete Award for IT Support to the U.S. Marshals Service

- Our migration efforts for NAVSEA included migrating 50 TBs of data, custom intranet branding, developed user training resulting in an 80% increase in user adoption.
- Office 365 deployment and migration for our financial client streamlined collaboration, increased data integrity by 80% and resolved document management issues.
- We modernized the contracting officer representative selection process for our federal customer, eliminated approval bottlenecks, centralized contract and COR data, and eliminated the agency's COR processing backlog.
- Our team developed a medical countermeasures solution for a federal strategic stockpile division which eliminated manual paper processes, provided mobile access to field agents, and assisted in an efficient transport of the COVID-19 vaccine.
- Led migration and remediation effort for more than 280 SharePoint site collections serving more than 8500 civilians and contractors across the U.S. , resulting in agency's successful upgrade to SharePoint 2016.

## COMPANY OVERVIEW

As an award-winning federal government IT contractor, for the past decade i5 Technology Group consistently solves inefficient, outdated systems hindering teamwork with modern, end-to-end IT solutions for our government customers. Backed by over 20 years of combined expertise in the federal space, our value lies in scalability, providing solutions that grow with your organization, and ensure effective operations. We specialize in turnkey work solutions that maintain a productive and agile workforce. Our pledge to on-time and on-budget project delivery minimizes disruptions because our team of trusted experts will not stop problem-solving. Federal clients entrust us with mission-critical challenges to accelerate operational goals.
